RENTAL TERMS AND CONDITIONS

RENTER'S LIABILITY

All Lee Oilfield Service Ltd.'s rental tools are run at renter's risk. Well conditions which prevent satisfactory operation of tools do not relieve renter of responsibility for rental charges.

RENTAL CHARGES

Scheduled rental rates begin when tool leaves our warehouse and continue until returned thereto. Twenty-four hours, or any part thereof, constitutes the first day's rental; additional days begin at the expiration of the first twenty-four hours; thereafter, each additional twenty-four hours, or any part thereof, constitute an additional day.

STANDBY CHARGES

Customers who wish to have Lee Oilfield Service Ltd. rental tools left in their possession, the use of which may be only an anticipated possibility but not a certainty, may secure them on the following basis:

Whether used or not the standby charge will be made for each month or any fractional part thereof. Charges will also be made for each use in accordance with our rental rates.

DAMAGED TOOLS

Damaged tools, ordinary wear and tear excepted, will be repaired at the expense of the renter. No charge will be assessed for ordinary servicing and dressing.

LOST TOOLS

Tools lost and not recoverable will be charged to the renter at current list prices. Accrued rental charges cannot be applied against charges for lost tools.
